**INJURY RATE IS THREE TIMES
the provincial average of all occupations**

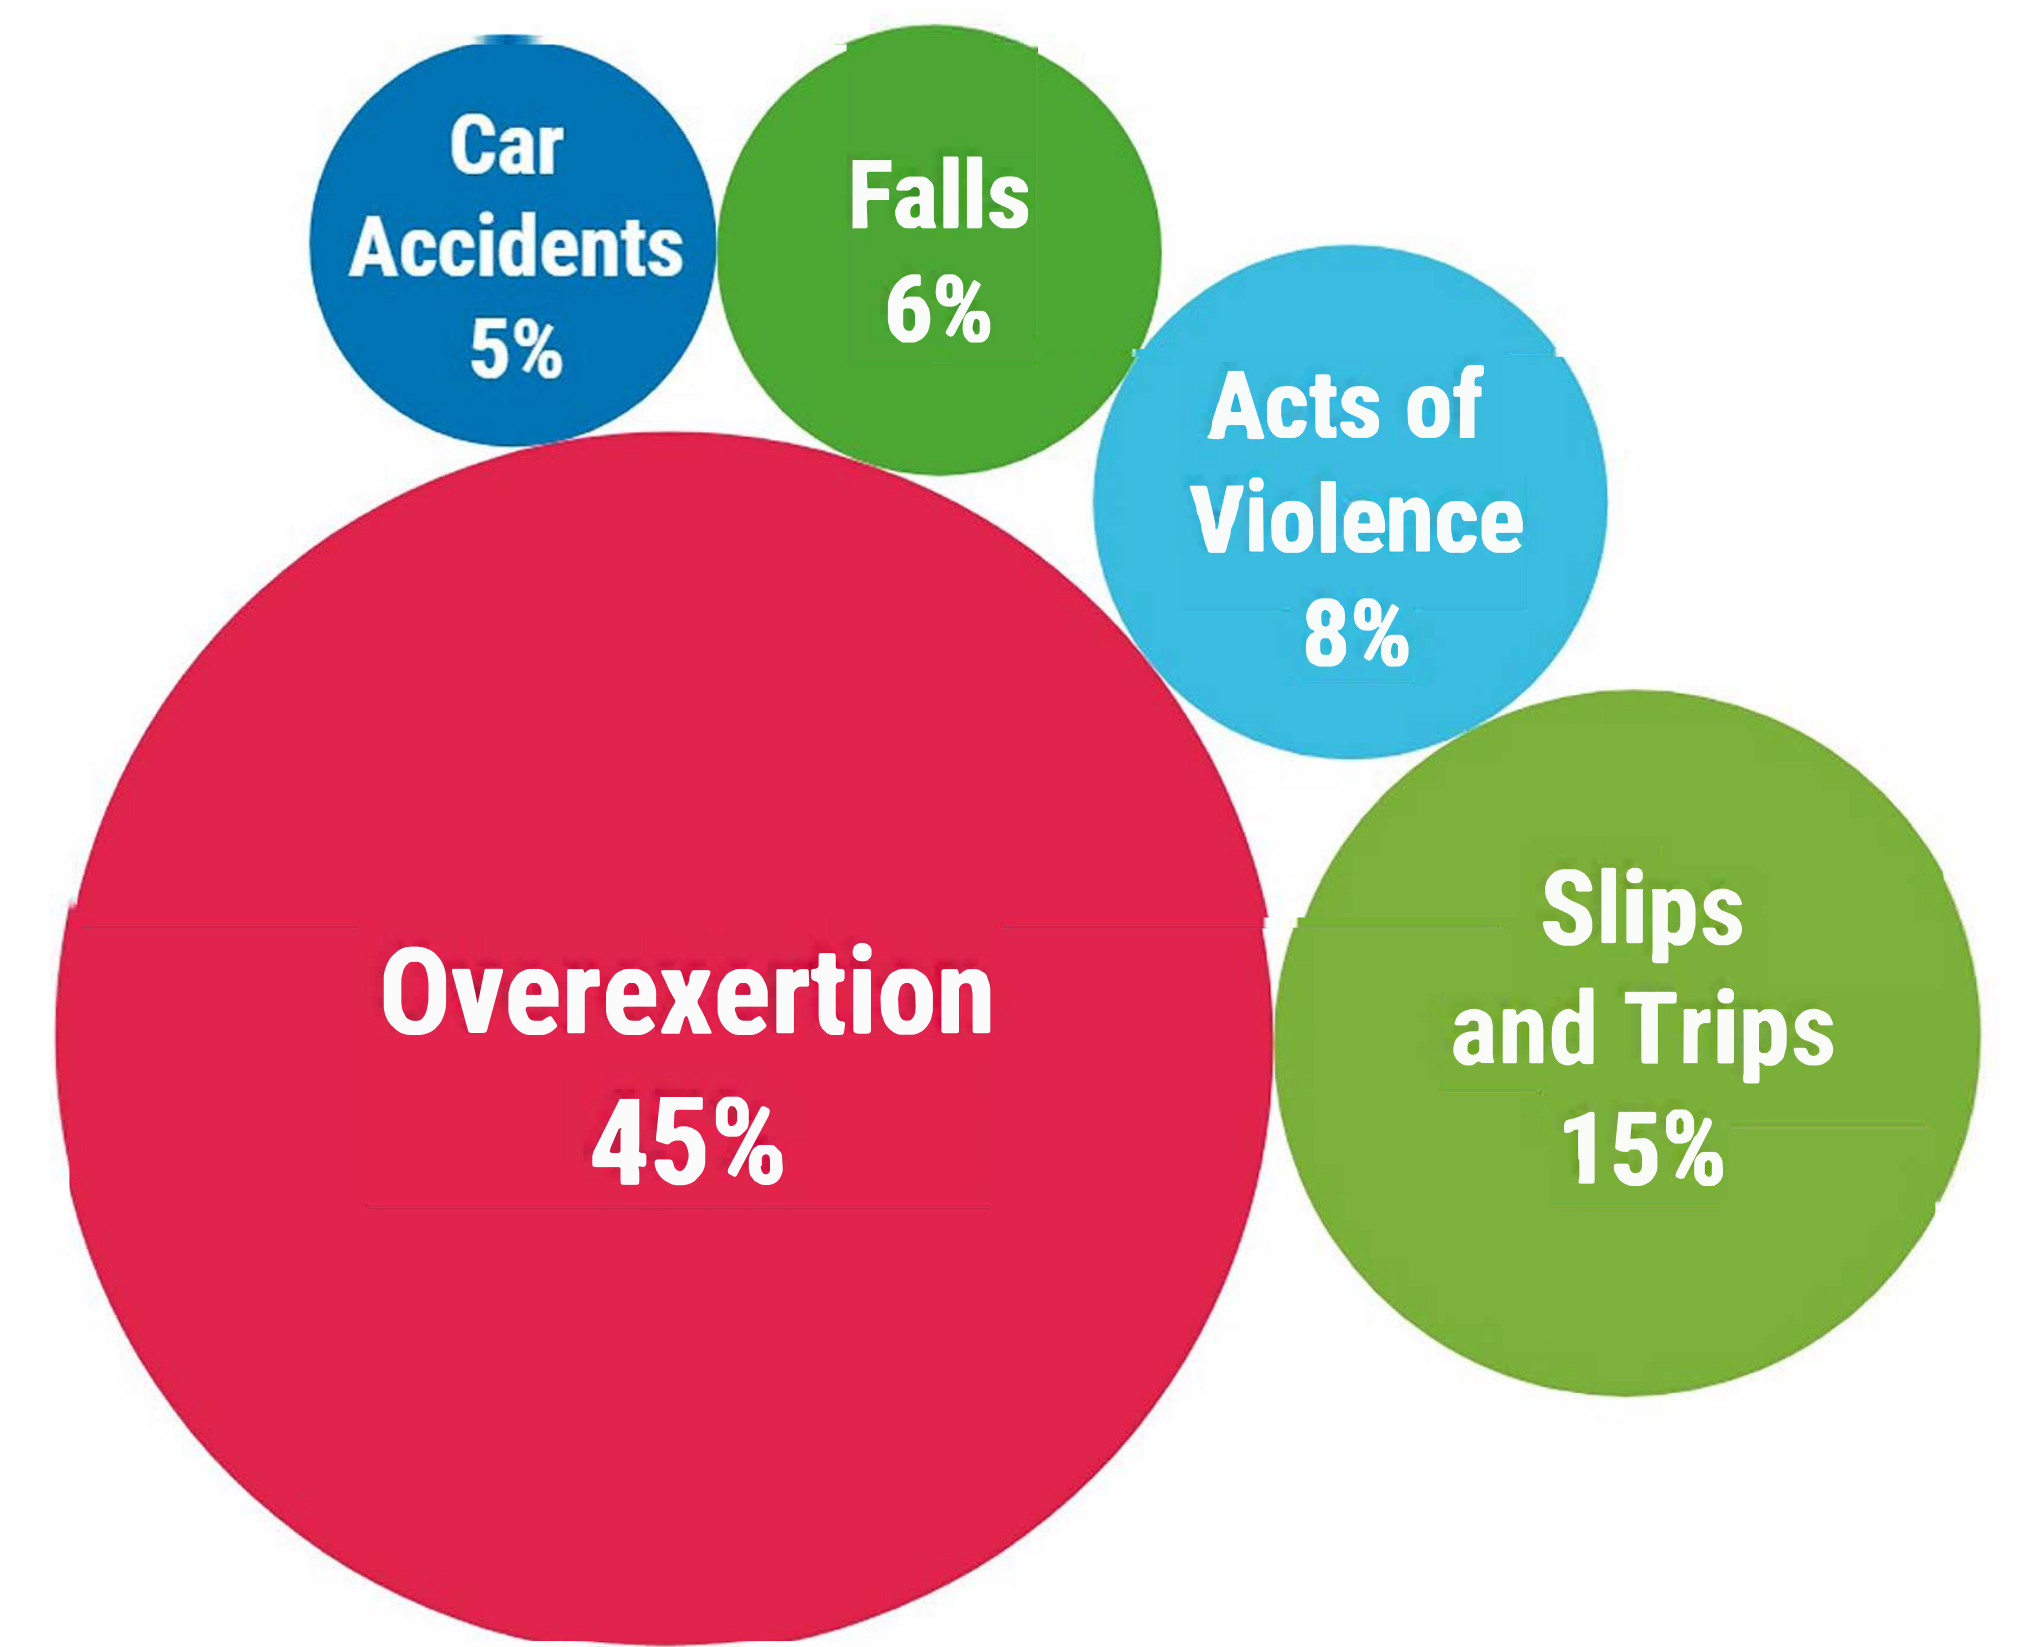

First year of
SafeCare BC programming
for Home Care and
Community Health Support

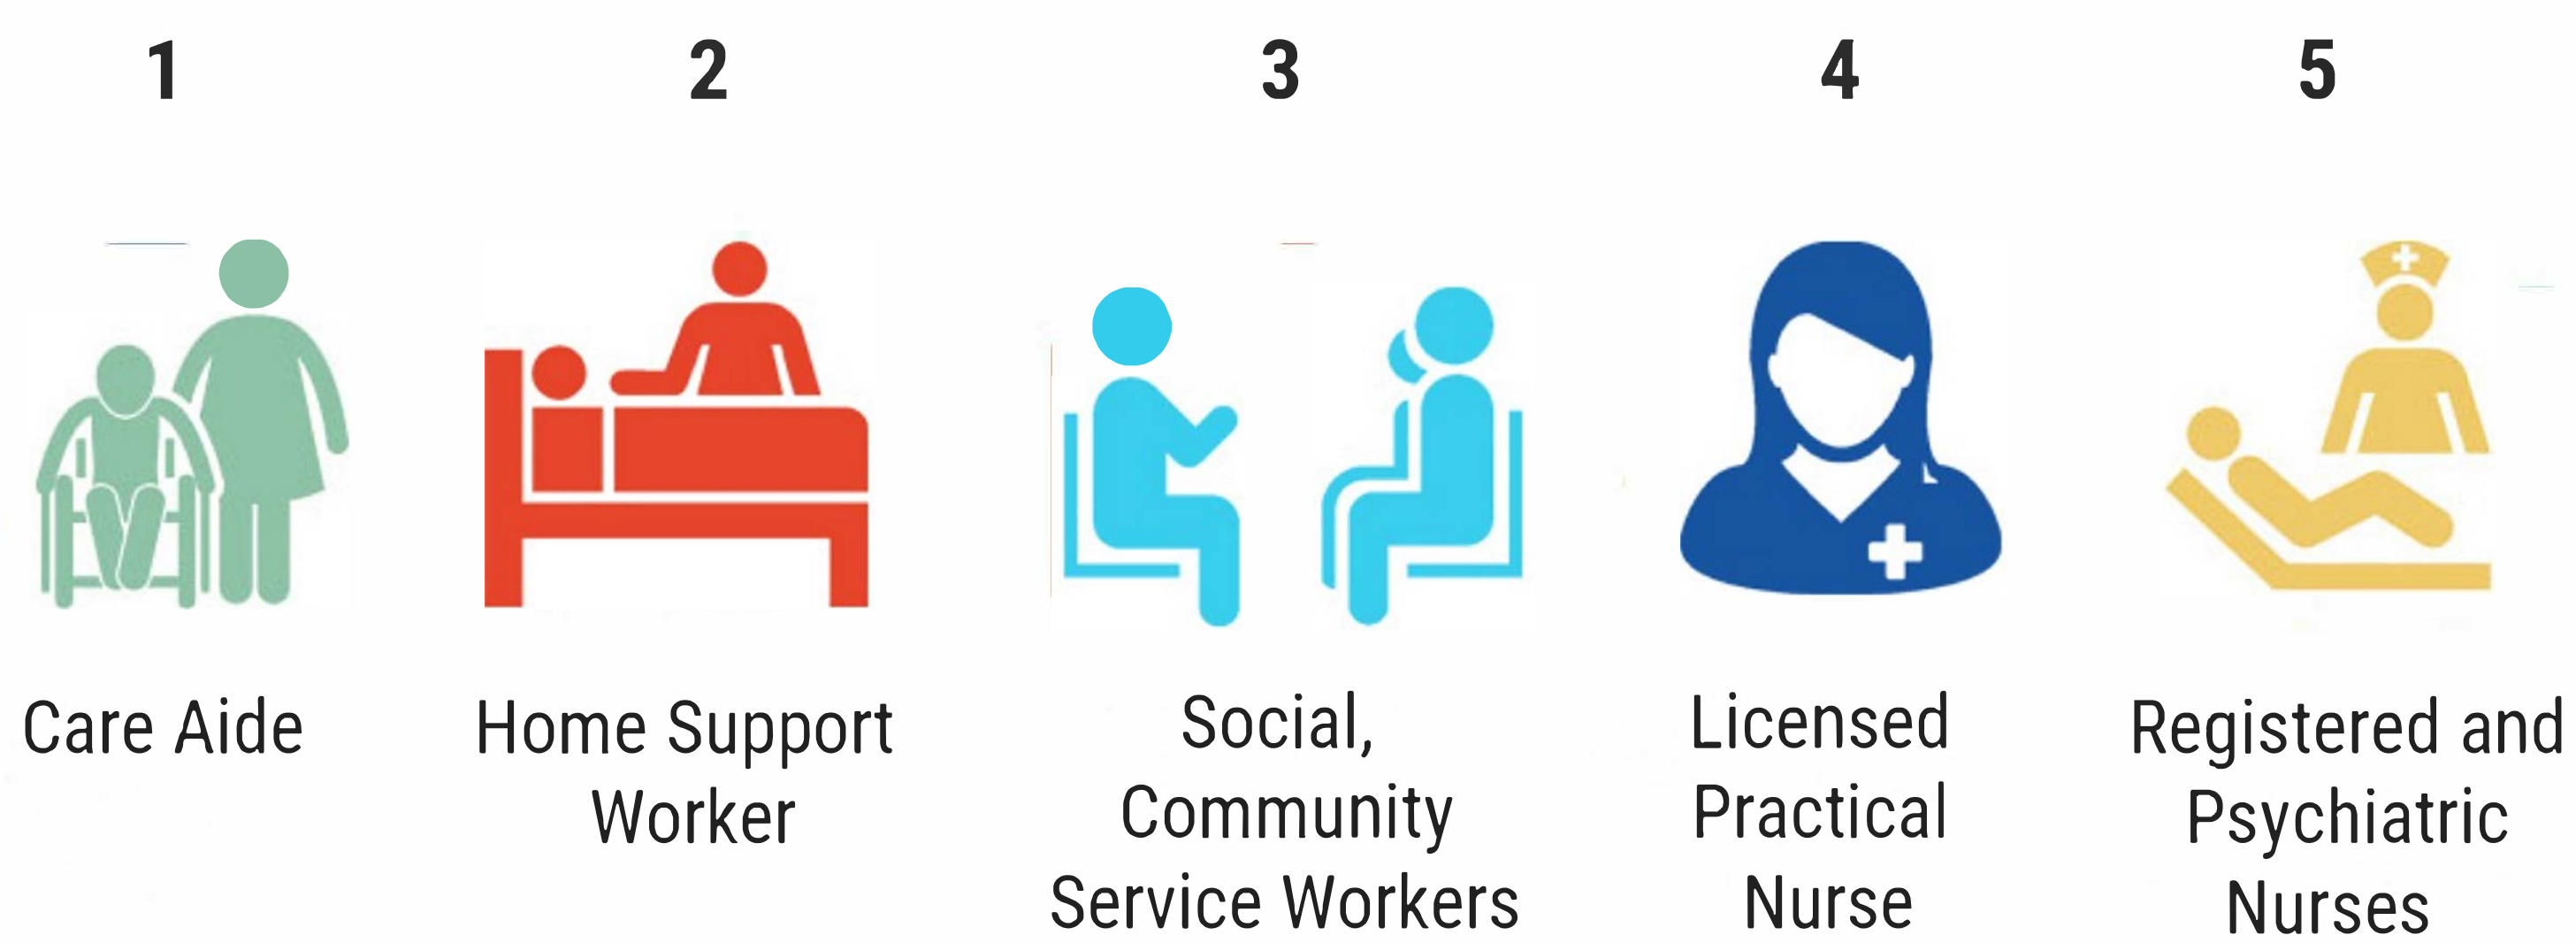

**Injury rate decrease
over past five years**

6%

Top 5 Accident Types

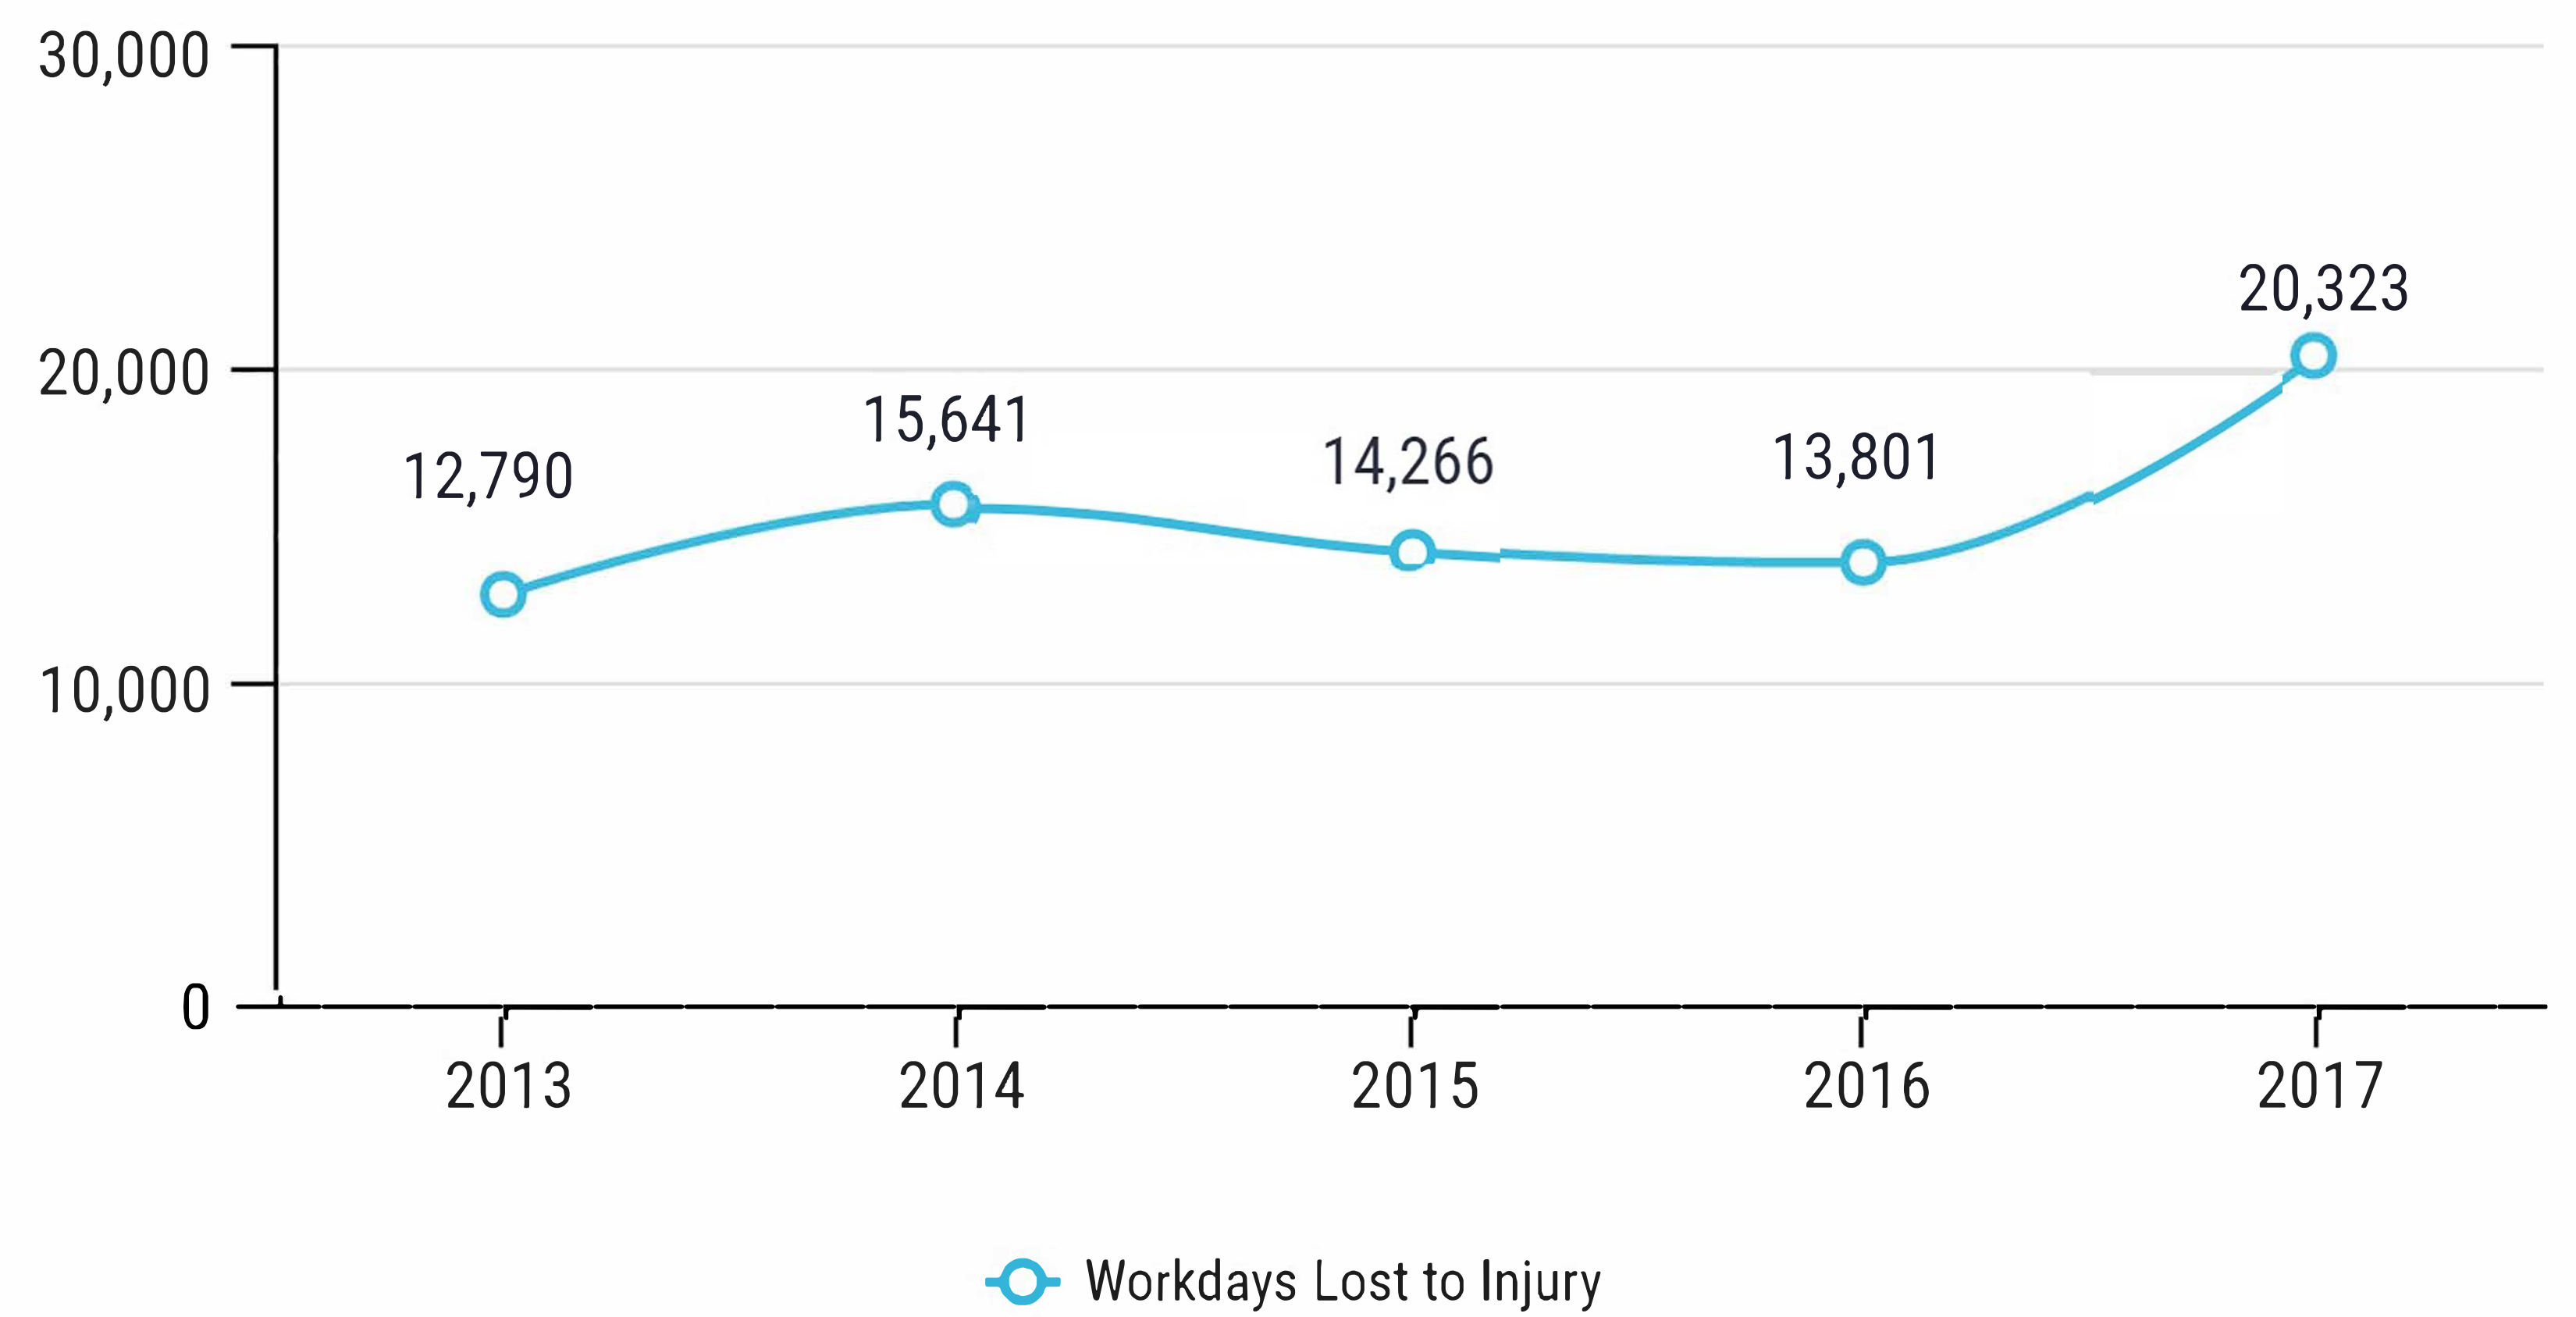

Top 5 Occupations with Most Injuries

Workdays lost to injury: 76,821 (2013-17)

That's like losing the equivalent of 307 full-time staff

**497
TIME LOSS
CLAIMS
IN 2017**

**Increase of 14%
compared to five
years previous.**

CLAIMS COSTS

**\$3.4 M
2017**

Return to Work

Having an effective Return/Recover at Work program supports people in their recovery, decreases staffing shortages, and decreases claims costs. If 10 continuing care workers were injured, this is what their return to work time would look like.
